The All American Memory Support program at All American of Hillsborough will engage residents with early stage Alzheimer's and other memory disorders in meaningful, therapeutic activities focused on their individual strengths and capabilities. All American's unique Memory Support program offers specialized cognitive programming in a separate, secure environment with its own common areas, courtyard and other amenities.

The All American will also include a variety of common areas, featuring comfortable living rooms, library, media room, arts and crafts room, a salon, bistro, exercise and rehabilitation room, a spacious dining room serving home style meals served restaurant-style, and other signature amenities designed to keep residents active and engaged. Residents will have access to All American's unique Wellness and Support services, private dining, entertainment and recreation as well. The landscaped grounds will feature walking paths, putting green and bocce court, as well as sitting areas and gardens.

Construction for The All American Assisted Living of Hillsborough commenced in July, 2016 and is scheduled for completion in mid-2017.
